

## How to Register Your Account

1. Select **Register Now** (gray button at bottom)

2. Select **Social Security Number + PIN** from the drop down box and click **Continue**.

- Next, create a Username and Password, which you will use to access your account going forward through both the website and the mobile app.

Now, please provide the information below to create your new profile.

First Name	Last Name
<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>

[Why do we ask for your email and phone number?](#)

I agree to the [Terms of Use](#) and [Privacy Notice](#). [Having trouble? Call 1-212-306-7760](#)

- You will also be asked to provide a mobile number or alternate email, which can be used for future recovery of your Username or Password, if needed.

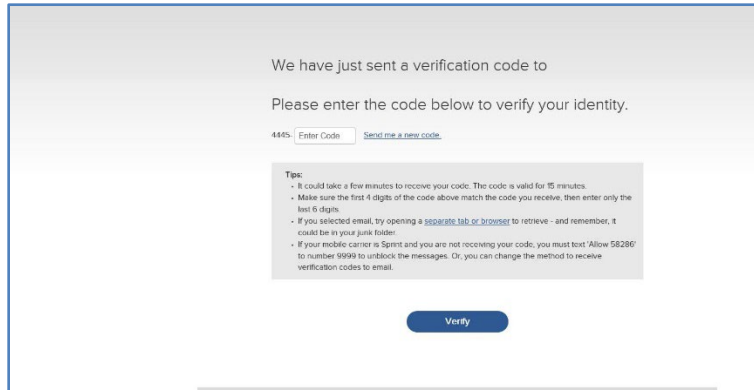

Next, we need a mobile number or recovery email.

Keep in mind - we will use this for username and password recovery, device validation and account alerts.

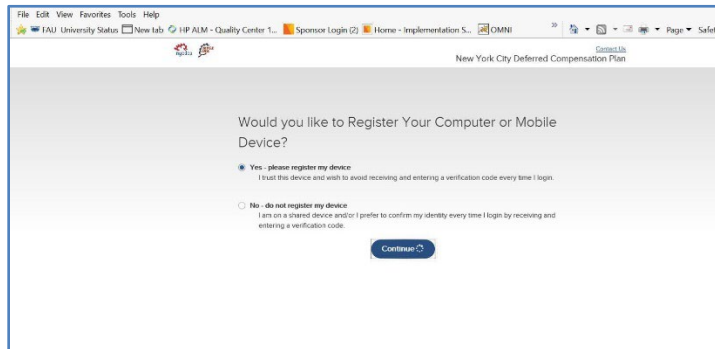

<input type="radio"/> Mobile <input type="text"/>	<input type="radio"/> Recovery Email <input type="text"/>

**Do you use a Financial Aggregation Service?**  
If you use an aggregation service such as CashEdge or Personal Capital, you may receive verification code(s) via text or email when your provider accesses this account. If you receive a code, please go to your aggregation service site and reconnect to this account to ensure continued access by your provider.

5. Voya will send you a verification code.

6. Lastly, you will have the option to register your computer or mobile device.

If you have questions, please call 212-306-7760.
